LETTER FROM THE FOUNDER

Be careful, it's addictive!

LADIES AND GENTS... This is our 'Tenth' issue and our 'Third' year of bold entertainment. We at SLITZ Magazine would like to thank you for all your compliments and support. Being a FREE magazine in a global market isn't always easy, but we welcome the challenge, and your continued support! Help us to spread the magazine.

In this issue of the 'Who', 'When', 'Where' and 'WTF'! Danish actress 'Barbara Zatler' is our cover girl; 'Myra Nevaliza Pierce' talk about her newly pierced nipples; One party at the time with America's most prominent nightlife photographer 'KIRILL-WASHERE.COM'; Club promoters the 'EXPLICIT' share their tips and we get down and dirty with 'Ric Porter', an awarded British adult film producer.

Death may be certain, but taxes don't have to be as SLITZ Magazine will start from this issue to cover the Tax Havens Of The World. When you are done reading our latest ish, do take some time and send us your feedback and let us know what you think! We will publish comments that we love in our coming issues. WHAT CAUSES A HANGOVER?

SO, WHAT CAUSES A HANGOVER? THE PRINCIPAL CAUSE IS ETHANOL – THE ALCOHOL IN YOUR DRINKS. IT IS A TOXIC CHEMICAL THAT WORKS IN THE BODY AS A DIURETIC (WHICH MEANS IT MAKES YOU PEE MORE, AND AS A RESULT -- BECOMES DEHYDRATED). THIS IS ONE OF THE MAIN CAUSES OF THE HEADACHE, DRY MOUTH, DIZZINESS AND CONSTANT NAUSEA. YOUR HANGOVER EASES AS THE BODY TURNS THE ETHANOL INTO A LESS TOXIC CHEMICAL.

THE OTHER FACTOR THAT AFFECTS A HANGOVER IS THE TYPE OF DRINK YOU HAVE BEEN DOWNING. DARK DRINKS CONTAIN SUBSTANCES (CONGENERS) THAT TEND TO MAKE HANGOVERS WORSE. SO DOES MIXING DRINKS.. / **SLITZ**

DJ SPINNA//

DJ

DJ KEKKA
– DJ SPINNA ...

WHAT DO YOU ACTUALLY DO AND IS IT FUN? Working on my present and for my future, yes it is great.

HOW LONG HAVE YOU BEEN A DJ AND WHY DID YOU FIRST GET INTO DJING? I started my career in 2009.

My father was a DJ. I was growing up watching him while he was mixing and I loved it, that I wished someday I would be able to become like him.

We can say that I became music dependent. As soon as I was feeling to be ready I started to learn it seriously.

WHAT WAS YOUR FIRST BOOKING AND WHAT HAS BEEN YOUR BEST DJ EXPERIENCE? I started to work with one of the best Hungarian dance radios and I started to mix at one of their parties. All the experiences I had were great, everyone in its own way. It's difficult to choose because while I'm mixing I'm influenced by the people in front of me and being true, all of them were amazing till now.

WHAT HAS BEEN YOUR BIGGEST GIG SO FAR? The next gig is always the biggest. I love to travel and visit new countries, new cities, new clubs and it's always a new experience.

But if I have to choose the one that was waking up mostly my adrenaline, I've to choose the WMC in Miami, because of the surroundings and of the very big names in the industry performing there.

DO YOU PREFER PLAYING AT CLUBS OR BIGGER EVENTS? Both. Both of them are exciting in their own way.

In bigger events, the crowd is important but you would not want to be worse than the DJ who was mixing before or after your set. The adrenaline grows so much inside me and I love this feeling! But don't get me wrong, it is not a contest where I would feel envious of the other DJs and hope for their mistakes. On the contrary, I do hope that the DJ before me will be amazing so that it will fill me with energy. It lets me wish to pump up the party and get the crowd even crazier!

In clubs, I have more contact and vibe with the guests, and the key to rock them is in me.

DJ KEKKA///

WHO AND WHAT ARE YOUR INFLUENCES? I have my father in my mind always because he introduced me to DJing and the love to music.

I could say a lot of them like Erick Morillo, Marcus Meinhardt, Martin Solveig or Sven Vath.

They are incredible, they are not just playing... they are living the music, and they are the music and true DJs!

HOW WOULD YOU DESCRIBE YOUR SOUND? My base is vocal house but I am not only focused on that.

In my sets you can hear deep, tech and electro house, but I also love to drop some techno if I think the crowd would go for it.

But if I have to describe my sound in just one way, definitely SEXY HOUSE MUSIC.

WHAT'S YOUR TOP 4 TRACKS OF THE MONTH? [1] Steve Angelo - Knas, [2] Afrojack - Real high, [3] Swedish House Maffia - One feat. Pharell, [4] Louis Diamond feat Luciouz - Leek, [5] Chris Lake - Minimal Life.

WHAT TRACK IN YOUR REGULAR SET HAS HAD THE LONGEST SHELF LIFE? 'Jaydee - Plastic Dreams'. Yes its' a very old song but I'm still in love with it. Probably also because it's also my mother's favorite. I am always searching for new remixes of it.

WHO'S YOUR FAVORITE REMIXER? I love the style of Nicky Romero. And because in Hungarian same as Muzzaik, they are really amazing.

WHEN YOU ARE UP THERE DO YOU HAVE A PLAY LIST OR DO YOU READ THE CROWD? I usually start having an idea of what I would like to play, but you know, in this job you cannot choose alone, you start with songs that everyone likes but then you just follow the crowd trying to read them and very often I am playing on request also to keep the crowd happy.

But there are a couple of songs that I will never play also even if it's a hit!!!

WHAT CLUB/ EVENT WOULD YOU LIKE TO DO? I would like to go around the world and play in many clubs as possible. I love to meet different kind of cultures, being able to test myself and my musical tastes.

I would like to be part of a big female event together with all the DJ girls of the present time.

DOSE IT COST LOTS OF MONEY TO BECOME A DJ? There are not such a lot jobs for which you don't have to invest a lot of money to improve your knowledge.

I was learning and prefer to play on Pioneer equipment. But at the beginning of my career, as I didn't have the possibility to choose, I was playing on Allen&Heat, Reloop etc.

YOUR TOP5 DJ WEBSITES? I'm getting a lot of music's from producers' friends of mine. But I also check:

FUTURE PLANS? PARTY.... PARTY....PARTY! I hope for a pretty busy 2011. I'm already booked for a lot of tours around the world, especially in Asia; thanks to my great Dutch agent/ promoter/friend whose name I can't remember now haha! TIFFANY ROSSDALE

DJ TOKYO HOTTIE™...

WHAT DO YOU ACTUALLY DO AND IS IT FUN? I throw some of the sexiest parties here in my city...Tokyo! Do I have to answer if it's fun?! lol Yes, ofcourse! Having the sexiest crowd and models/ performers every time I do my events, is just amazing! I do really think I'm lucky on that one.

MOST FAMOUS FOR? PARTIES! lol Thru my huge network here in my city, luckily I've been known for hosting and promoting events.

TYPICAL WORKING DAY? I basically work both day and night. Daytime to go on meetings for future projects and events while night time I attend parties to network more.

The sad thing is most people criticize me that I just party and party. They didn't know that party is part of my job which makes my network bigger.

FAVORITE PART OF YOUR WORK? Meeting different people, especially here in my city because we get all kinds of nationalities from around the globe; and knowing their background and culture is really interesting and much of a new learning.

HOW DID YOUR PARTY LABLE 'TOKYO FASHIONISTA' COME TOGETHER? It all started with just a small crew. Then as it goes, I've met and sorted out this wonderful, and amazingly-talented individuals around me. And I believe that our strong bond is what makes us continue doing this. Though it's not easy cuz I'm working with different kinds of nationalities that sometimes you have misunderstandings and stuffs.

A SUCCESSFUL EVENT SHOULD INCLUDE...?? A huge network, a unique concept and ideas, amazing and very talented crew, sponsors and dedicated supporters/ crowd.

WHAT ARE SOME OF THE MAIN TRENDS YOU SEE IN THE INDUSTRY? Recently, I think most parties are more into networking thing; one that will connect to their jobs and stuff.

They seem not to be so interested if you organized only a DJ event thing.

HOW DID YOU GET YOUR START IN DJING? I heart music ever since I was a little kid but I'm not really pursuing to be a professional DJ as my career.

The reason why I did this cuz sometimes it's really hard to find and sort out DJ's who can play what my crowd wants. But now of course I have a few resident DJ's who play every time I have the party.

WHAT DO YOU SEE YOURSELF DOING WITHIN THE NEXT FEW YEARS, ANY SURPRISES? Sorry I can't tell. Cuz every time I say or talk about future or upcoming projects it seems that I get jinxed! lol

So what I can say is as long as they continue believing in what I can do... I'd definitely do my best to give them the sexiest fun parties! /**SLITZ**

CLUB PROMOTER//

PROMOTER

EXPLICIT PRODUCTIONS

– CLUB PROMOTER...

HOW LONG HAVE YOU BEEN A CLUB PROMOTER? Almost (one) 1-year.

HOW DID YOU FIRST START OFF IN THIS BUSINESS? At first I was just a sub promoter @ club circa (eastwood), then the team saw some potential in me and they got me in as one of the main promoters.

HOW MANY PEOPLE IS PART OF YOUR TEAM, OR DO YOU WORK ALONE? We work mainly as a team, but each of us has designation. I'm the head of the Public Relations.

AFTER YOU BECAME A PROMOTER, WAS IT DIFFERENT THAN WHAT YOU THOUGHT? A lot of things changed, a lot of people knew me unlike before. I can enter clubs even though I'm not on the guest list. A lot of photographers want to take my picture. And lastly lot of haters. :)

FROM YOUR EXPERIENCES, WHAT IS THE BEST METHOD OF PROMOTING? Facebook, really helpful and of course sending event invites thru text.

WHAT DO YOU THINK OF THE GROWING NUMBER OF CLUBS IN THE CITY? Well, you can't stop clubs from opening, you just have to ace up your game and play in a bigger sandbox!

DESCRIBE A TYPICAL DAY BEFORE THE NIGHT OF ONE OF YOUR PARTIES? Mostly all day sleep, chill, STARBUCKS! and OMG WENSHA :).

HOW MANY EVENTS DO YOU NOW PRODUCE OR EXECUTE THROUGHOUT THE YEAR/ MONTH? All in all 5events! Because ours is fresh.

WHAT WAS YOUR BIGGEST EVENT? The party 101 our soft launch. We haven't held our grand launch. But we are planning on that this summer.

WHAT ADVICE DO YOU HAVE FOR ANYONE STARTING OFF IN THE INDUSTRY? Well, you have to remain HUMBLE and keep your feet on the ground. And as much as possible maintain good relationship with your co workers and take care of your guests.

WHAT CAN PEOPLE EXPECT FROM YOU IN THE COMING SUMMER MONTHS, ANY SURPRISES IN STORE FOR MANILA? Grand launch of 'Explicit Production'! :)

BEING A PROMOTER, IS IT A FAST TRACK TO BECOMING FRIENDS WITH THE STARS? Yes, of course. As we encounter lots of celebrities, we became friends with them but our number 1 rule: DO NOT LET IT UP YOUR HEAD. STAY HUMBLE NO MATTER WHAT! And I guess that's the secret why our production is one of the best in the North! /**SLITZ**

THE DOCUMENTARY FILM CHRONICLING THE MAKING OF THE 2007 SEPTEMBER ISSUE OF VOGUE MAGAZINE

If you have not seen, "The September Issue," the documentary film chronicling the making of the 2007 September issue of Vogue Magazine, then its time to get a copy. Vogue's September issue is always their biggest of the year, and the 2007 issue was their largest yet—weighing in at over 4 pounds. The film was wonderful, giving readers a rare glimpse at the inside of this fashion powerhouse and an opportunity to see the Vogue team hard at work.

What is so remarkable about what goes on at Vogue is that one woman, Anna Wintour, Vogue's Editor in Chief since 1988, oversees every minute detail of every issue of this pivotal fashion publication. /**SLITZ**

DRESS CODE - WITH NO LIMITATION

BY CHUMMY SANTOS

Photo_LORRAINE
(WWW.FACEBOOK.COM/RUBYWEDNESDAYDESIGN)

Browsing my news feed one time, I noticed one debutante who's had her pictures taken for her birthday. Not one to be labeled as someone-who-dress-conservatively, seeing that girl sporting a slinky, shimmery number is just not appropriate. My first thought was, "coming of age is not enough reason to dress slutty."

Mo_CHUMMY SANTOS

Imagine the horror on the parents' faces when the slideshow starts showing the birthday girl's photos with her sultry, seductive poses with her mini dress on while dear old Lolo and Lola are watching. So how do we know the difference?

There's only a very thin line you can cross when what you think is sexy becomes an overt cry for attention. What could be the reason why you would wear something so revealing? It's for, more or less, someone to notice you. Accepting your body and celebrating it by wearing what you think is comfortable just doesn't make sense in this narrow-minded country. Women will automatically see you as papansin and men will instantly assume you're showing off your goods and that they're free to admire and touch you as well. But why do I do it? Honestly, I'm just being cheeky. When asked I would always say,"this is a free country; I can wear whatever I want." A rebel without a cause, I just want people to be open-minded enough to accept that some women would like to dress sexy from time-to-time and we don't need their attention by salivating over us.

So going back, how do we know the difference? It's the attitude we exude when wearing these kinds of clothes that matters. But if you're going to wear a skimpy number then pull and tug to cover your cleavage, tummy and legs, then I suggest you head home and change.

WHAT DO YOU ACTUALLY DO AND IS IT FUN? I work as an 'adult model' so I basically get paid to be naked in awesome locations and make out with hot girls... I absolutely LOVE what I do, but at the same time it is exhausting and a lot of hard work.

HOW DID YOU FIND YOU WAY INTO PORN? I started in glamour, very briefly, but shot for an adult website and was told there was more work in that industry, it was only about a year ago that I started.

DO YOU KNOW HOW MANY FILMS YOU'VE STARRED IN? I've not actually done ANY DVD's yet as I'm quite new to the industry, but I've done a lot of videos for sites... I can't wait to shoot my first DVD which will hopefully be this summer.

WHAT'S GOING THROUGH YOUR MIND WHEN U SHOOT A SCENE? I wonder what I'm having for dinner....? Haha, no really, it depends on my mood, I couldn't really tell you, I am an exhibitionist so its all a performance, unless I'm grumpy and tired, then I'm just thinking come onnnnnnnn!!!

ADULT MODEL/DANCER//

WHAT'S THE FUNNIEST THING YOU'VE HAD HAPPEN TO YOU DURING A SHOOT? Once I was filming for a site and the scene was me in bed asleep and the camera man comes through the bedroom door and basically pulls back the cover to reveal me pours baby oil over me while I'm 'asleep' and I swapped places with the lighting guy as a joke so when the camera man comes through the door and pulls back the cover it's the big fat dude lying there... it was hilarious. I was literally in tears from laughing so hard.

WHAT ARE YOU SHOOTING/ DOING RIGHT NOW? At the moment I'm planning a trip back to the states hopefully for some of the sites out there and I have a few other things coming up that I don't want to disclose encase they don't happen, but I'm very excited :) I'm shooting for SMUT clothing this Friday and doing a music video next week, I just shot a bunch of movies and sets for St.Mackenzies with the very gorgeous Kayla Klass.

WOULD YOU LIKE TO GIVE SOME ADVICE TO THE GIRLS THAT WOULD LIKE TO START THEIR OWN PORN CAREER? Yes. DO YOUR RESEARCH! I hear so many horror stories about girls who answer ads about being a model and get told they have to fuck some guy in a hotel room... that is bullshit. Get an agent, get a portfolio, do it properly so that you are safe. The adult industry is AWESOME when you do it properly :)

ARE THERE ANY PERFORMERS YOU REALLY WANT TO BE WITH BUT HAVEN'T HAD A CHANCE TO YET? I would love to shoot with Bree Daniels, Harmony Hex or Kayla Jane Danger.

WHAT'S THE BIGGEST MISCONCEPTION ABOUT YOU IN THE INDUSTRY? I have never heard anything bad about myself...yet.

IS THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY? Most people I have worked with are incredibly professional and really cool, obviously there are a few bad eggs, no names given.

EVERYBODY HAS THEIR OWN KINK, WHATS YOURS AND HOW DO YOU VIEW SEX? I love to be filmed, I love threesomes with my boyfriend and other girls. To me sex is very personal and special, that's why I don't do hardcore, I just do solo and girl/ girl because that's fun. Sex, for me, is too special to have with anyone that I don't love. Sounds stupid coming from a 'pornstar' right?? haha....

I SUPPOSE ONE OF YOUR TURN-ONS HAVE TO BE SEXY CLOTHING... WHAT IS YOUR FAVOURITE THING TO WEAR? I love stockings and stripper heels.

WHAT WOULD SURPRISE PEOPLE MOST ABOUT YOU? I am a hopeless romantic. Also, something that seems to surprise people is that I actually went to uni and I'm intelligent, this career is just more fun than any other options :).

WHAT IS YOUR FAVORITE CURSE WORD? CUNT!

WHAT PART OF YOUR BODY DO YOU CONSIDER AS BEING YOUR BEST ASSET? I love my eyes and the curve in my back.

WHAT SUPERPOWER WOULD YOU WANT YOUR MAN TO HAVE IN THE BEDROOM? My man has all the superpowers I need :).

DO PEOPLE RECOGNIZE YOU MUCH WHEN YOU'RE OUT IN PUBLIC? I have been recognised before but not hugely often.

IS THERE A WAY FOR YOUR FANS TO CONTACT YOU? My facebook page got deleted :(but I usually reply on twitter @holdmyhandsdown and I always answer questions on my blog samanthabentley.tumblr.com I also do cam sessions on samanthabentley.cammodels.com I update on twitter when I'm about to go online :)

WHICH THREE WORDS SUM YOU UP THE BEST? Ambitious, dreamer, and romantic. /**SLITZ.**

RIC PORTER
– ADULT FILM PRODUCER...

WHAT DO YOU ACTUALLY DO AND IS IT FUN? I make adult movies here in the UK and yes of course it's fun; it's the best job in the world!

MOST FAMOUS FOR? I'm the 'unknown behind the known'! I used to run Penthouse UK magazine, helped launch and am now responsible for many of the films on Britain's adult satellite Tv Channel Television X.

I have done spoof sex movies with a lookalike Katie Price (AKA the model Jordan) and a lookalike Christina Aguilera (That series was called Dirrty. We almost got mobbed by fans when we took her out in a limo around London, who thought that our lookalike was the real deal!).

I also do camera for Bluebird Films.

All this is written about in more detail in my memoir Welcome To Pornoland available on Amazon.com.

In my 'other life' I have made cameo appearances in major mainstream movies including James Bond Octopussy and alongside David Bowie in Absolute Beginners.

HOW DID YOU FIND YOUR WAY INTO PORN? I answered an ad in a sex magazine for models and did a bit in front of the camera, but soon realised that I would rather be working behind the camera as I quickly saw that it was those guys that were working every day... and going home with the models afterwards!

WHAT WOULD SURPRISE PEOPLE MOST ABOUT THE WORK YOU DO? Probably that it is actually run like a professional shoot. We're not just keeping a camera running while people have sex in front of us. They are actually having sex to MY direction, I am working very hard to get all the necessary angles required for a good edit, and of course we must make sure that all the necessary paperwork is done too. A porn shoot is often surprisingly like a real job and sometimes only looks sexy when you finally get to see the end result; which is as it should be of course!

WHAT'S THE FUNNIEST THING YOU'VE HAD HAPPEN TO YOU DURING A SHOOT? Possibly having Sir Paul McCartney walk into the

room as we were just about to start shooting a solo girl sex scene with a banana! He was in the same building that we were using as a location, recording some songs and he was looking for the bathroom! Another few minutes and he's have seen something quite shocking – even for an ex Beatle!

WOULD YOU LIKE TO GIVE SOME ADVICE TO OTHER GUYS THAT WOULD LIKE TO DIRECT/ PRODUCE PORN? Treat it like a 'proper job'; with total professionalism. Don't just 'go along for the ride' or let the girls bully you into doing it their way. Make sure you have your own vision and stick to it. Get excited about every aspect of the shoot (including the tedious editing process), and work extra hard on the actual day of the shoot, making sure you are getting the best angles, and making sure that you keep upbeat and motivate everybody into giving their all.
Just like sitting in on the making of a mainstream movie, it's actually a lot of hard work, so be prepared for that, and be prepared for everyone to be looking to you all day to have the answers; as the director/producer the buck stops with you, and you often have to think on your feet, making compromising decisions in order to get the shoot done.

WHAT ARE THE GOLDEN STEPS TO SHOOT GOOD PORN? Have an empathy to what you're shooting and have fun; enjoy the day!

Plan, plan, plan so that on the day everything will simply run like clockwork.

Make sure everyone knows their call times, how much they're getting paid and exactly what they're expected to do well before the day so that there are no unexpected surprises for your cast.

Keep your talent and crew happy by providing snacks, tea and ideally cash payments!

Make everyone involved feel special and pampered – even if they're playing up like real divas!!

Make sure you get all the angles and shots you need on the day; it's too late afterwards for re-takes.

Enjoy the edit. That's the part where the magic happens!

WHAT SORT OF EQUIPMENT AND SOFTWARE DO YOU USE? When I started out in the early 1980s I was shooting straight on to domestic VHS videotape and editing 'in camera'! These days I use a Sony Z1 HDV camera (although thinking of updating to a tapeless EX3 soon) with remote wireless Sennheiser 816 boom mike and full lighting. I edit on Final Cut Pro and deliver HD finished movies.

PROFIT, LOTS OF MONEY? Being in the adult business has been my profession since the 1980s, and I have managed to make a comfortable living all that time. I now live on an exclusive gated development where some minor celebrities live (actors, sports stars and pop stars), so I guess I've always managed to do something right!

However I would say that, contrary to what many people think, making porn is not a licence to print money. It is possible to make some decent money in a relatively short space of time, but there are also big expenses, and if one is working on a commission basis only, then it's all purely on a job-by-job, profit-by-profit basis, so as soon as you've done one job, you need to then be planning the next one to keep the cashflow flowing!

My advice to anyone in the Industry is to save some money while it's there as there will come those 'rainy days'!

WHAT ARE YOU SHOOTING/ DOING RIGHT NOW? Shooting my second series with ex Big Brother housemate Billi Bhatti for Television X as well as doing freelance camera for Bluebird Films and working on the live 'Babe' style Channels that Television X do. And of course I'm now trying to get my new book into as many people's hands as possible! It's a great read – and funny too! But don't take my word for it; grab a copy and read it for yourselves! :-).

IS THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY? Unfortunately not for me! I have always found that the actors/models keep a distanced professionalism, although of course working in an industry based around sex does mean that, once the shooting's over, then the parties start, and I suppose those parties can be a little more outrageous than the normal 'office party' turns out to be! / **SLITZ**

IN PORN + PERVERSIONS!

– IN AND OUT OF THE PORN INDUSTRY

BY JOHN KARLSSON

Porn Goes Mainstream! Real movies are using adult-film stars, while adult films market themselves like real movies. How did pornography become acceptable?

SASHA GREY COVERS PLAYBOY, GOES MAINSTREAM

Can an adult movie star go mainstream? Sasha Grey sure hopes so.

Following a lead performance in Steven Soderbergh's 2009 movie The Girlfriend Experience, this long-time porn actress joined the Entourage cast this season and covers the latest issue of Playboy.

Unlike other women famous for getting naked, Grey is clearly proud of her (literal) body of work and makes no excuses for the path she's taken to get here. /**SLITZ**

THE HARDEST (WORKING) MAN IN SHOWBIZ - RON JEREMY

He's the porn world's Everyman. Blessed with an enormous "talent" yet average looks, he's starred in more than 1,700 adult films, directed 250 of them, and over the last twenty years has become porn's biggest ambassador to the mainstream. He's appeared in 60 regular films, 14 music videos, and VH1's Surreal Life, starred in the critically acclaimed Porn star (a movie about his life), and in Being Ron Jeremy (a take off on Being John Malkovich), co-starring Andy Dick. And that's just the tip of the iceberg. . . .

Ron Jeremy is a born storyteller (funny, considering he doesn't do a lot of talking in his films). He knows where all the bodies are buried, and in this outrageous autobiography he not only shows you the grave but also gives you the back story on the tombstone. Get ready for Ron Jeremy—a scandalously entertaining deep insider's view of the porn industry and its emergence into popular culture, and a delectable self-portrait of the amazingly endowed Everyman every man wanted to be. /**SLITZ**

-ACTRESS+MODEL

WHAT DO YOU ACTUALLY DO AND IS IT FUN? I've been modeling for about 9 years and I loved it. It is a hard job but also fun, and the best part is to travel the world and meet new people! These days I'm more into acting as I felt like I needed to try something new. Acting is my new passion and I love the way you use your whole body language and mind to make the picture come alive. Reach the audience and move them by the story we are telling.

WHAT'S THE BIGGEST MISCONCEPTION ABOUT YOU AND THE WORK YOU DO? People judge me before they have met me. I'm often doomed from the start before people meet me and talk to me. They think models are stupid and can not be independent women. I frequently find that they confess their mistakes after talking with me. So they take their prejudices back.

WHAT TYPE OF MODELING IS IDEAL FOR YOU AND WHAT TYPE OF GIG WOULD YOU NOT ACCEPT? The best gigs for me at the moment is acting.

FAVORITE PHOTOGRAPHER? Nicky De Silva. He is very talented and fun to work with.

WHAT'S THE FUNNIEST THING YOU'VE HAD HAPPEN TO YOU DURING A SHOOT? One time I forgot to shave my armpits. So when I had to put my arms up in the air I had some hair. We laughed but I was very very embarrassed.

ARE THERE LOTS OF INDECENT PROPOSALS IN THE INDUSTRY, ANY STORIES? I myself havent been so unlucky to experience it.

but have heard of people in the industry who have. And it has not been nice stories.

WHAT IS YOUR SECRET TO KEEP YOUR BODY SEXY AND HEALTHY? I got great genes. I try to keep in shape and drink a lot of water but I just cant keep it up. Each time I try I get lazy in a few days and then its just coca cola and all I can eat.

WHAT TYPE OF STICKY SITUATIONS HAS YOUR BEAUTY GOT YOU INTO OR OUT OF? Once I was pulledover for speeding. And I was lucky that he didnt write me a ticket as I was driving 160 where you were alowed to drive 60. If he was just nice or I was lucky I dont know.

WHAT PART OF YOUR BODY DO YOU CONSIDER AS BEING YOUR BEST ASSET? Well I love my eyes. Your body will always change along with age but eyes remain.

HOW WOULD YOU CATEGORIZE YOUR BEDROOM STYLE? HANNAH MONTANA, GIRLS GONE WILD, OR STRAIGHT ANIMALISTIC? I have my own style which is very low key. A bed a wardrobe. very simple.

WHAT SUPERPOWER WOULD YOU WANT YOUR MAN TO HAVE IN THE BEDROOM? Just to be a great lover who thinks about his woman too and not only him self.

WHAT IS YOUR FAVORITE CURSE WORD? 'Dammit'.

EVERYBODY HAS THEIR OWN KINK, WHAT'S YOUR AND HOW DO YOU VIEW SEX? What my kink is, well thats something i keep to myself. /**SLITZ**

-FREELANCE MODEL

WHAT DO YOU ACTUALLY DO AND IS IT FUN? I'm a fulltime swimsuit and lingerie model. Hell yeah its fun!

WHAT MADE YOU WANT TO GET IN TO THE INDUSTRY AND WHAT INSPIRED YOU TO FOLLOW THE PATH YOU ARE ON NOW? I just always had dreams to do so. I've busted my ass to get to where I am. I treat it like a business.

WHAT'S THE BIGGEST MISCONCEPTION ABOUT YOU AND THE WORK YOU DO? That I'm stuck up and conceded. Neither is true. I have very high self confidence and I'm still friends with all the people I grew up with. I don't think I'm better than anyone else just because of my profession. I do what I do because I love it.

WHAT TYPE OF MODELING IS IDEAL FOR YOU AND WHAT TYPE OF GIG WOULD YOU NOT ACCEPT? I stick to glamour (swimsuit and lingerie modeling) I don't have the height for fashion. I would never model anything of fetish material or anything full nude unless it was for Playboy.

WHAT'S THE FUNNIEST THING YOU'VE HAD HAPPEN TO YOU DURING A SHOOT? I was shooting at a photographers house one time for xmas eve. The photographers mother unexpectedly came over and just walked in while I was shooting lingerie in their living room. LOL! The photographers wife told her jokingly that I was her husbands xmas present. The mother almost fainted. We messed with her all night after that.

PROPOSALS IN THE INDUSTRY, ANY STORIES? Yes. I've never been scammed but I can call it a mile away. One time this "photographer" contacted me and said he had this high paying job that was for $ 5,000.00. I wrote back to let him know I was interested and he went on to let me know that the company was going to send me a half payment and the fees they were paying to him and since he was foreign that he wouldn't be able to cash it and I simply had to deposit it into my bank account and cut him his check. A few days later I got about $ 4,500.00 worth of money orders. I knew better. There is no way you get that big of a deposit before even doing a shoot. I took it to the bank and sure enough it was all counterfeit. It's some huge scam they are running in other countries right now!

WHAT IS YOUR SECRET TO KEEP YOUR BODY SEXY AND HEALTHY? I eat healthy for a week straight and workout. Then I give myself a day to eat whatever I want and take a break from working out. I also take vitamins daily.

WHAT OTHER TALENTS DO YOU HAVE UP YOUR SLEEVE? I also do web and graphic design, photo retouching and video editing. I market and promote myself and am my own manager. I can also sew, cook, even crochet! LOL! I pretty much do it all!

WHAT TYPE OF STICKY SITUATIONS HAS YOUR BEAUTY GOT YOU INTO OR OUT OF? I'm constantly getting upgraded for everything. I also get a lot of freebies which is cool. But when it comes to cops I think my beauty goes against me. I've never been able to pull myself out of a ticket.

WHAT PART OF YOUR BODY DO YOU CONSIDER AS BEING YOUR BEST ASSET? My ass.

YOU WILDEST SEXUAL EXPERIENCES? There is none more wilder than the other. LOL! Each time is pretty crazy!

HOW WOULD YOU CATEGORIZE YOUR BEDROOM STYLE? Straight Animalistic.

WHAT SUPERPOWER WOULD YOU WANT YOUR MAN TO HAVE IN THE BEDROOM? There's no such thing.

WHAT PART OF YOUR BODY DO YOU CONSIDER AS BEING YOUR BEST ASSET? My ass.

HOW'S YOUR LIBIDO? Pretty Damn good =D.

WHAT IS YOUR FAVORITE CURSE WORD? Fuck, Fuck, Fuck haha!

EVERYBODY HAS THEIR OWN KINK, WHATS YOURS AND HOW DO YOU VIEW SEX? I'm into foreplay big time and anything to do with my neck wax is a huge turn on too. I view sex as it's just sex. It feels good but sometimes I just don't feel that "attachment". /**SLITZ**

2011 CHEVROLET CAMARO

AUTO

Camaro was welcomed back onto the highways, boulevards and cruise nights of America last year with enthusiasm. In a still-recovering market, it outsold its primary pony car rival 11 months straight, with sales of more than 90,000 (through April 2010).

Customers continue to turn their new Camaros into personal statements, outfitting them with the wide array of appearance, convenience and performance options and accessories offered through Chevrolet dealers. The RS appearance package, with its High-Intensity Discharge headlamps accented by LED-illuminated "halo" rings, is the most popular option.

For 2011, the Camaro rolls on with evolutionary changes. They include:

* An increased horsepower rating for the 3.6L V-6 VVT – 312 (232 kW) vs. 2010's 304 horsepower / 227 kW rating – while still offering an EPA-rated 29 mpg on the highway.

* The Synergy Green Metallic exterior color will be offered on all Camaro models for a limited time; also, the Synergy Green instrument panel and door trim panels on 2LT and 2SS models will be available.

* Head-Up Display is now standard on 2LT and 2SS equipment packages. The system projects vehicle speed and other data onto the windshield for easy, at-a-glance viewing that

THE CLUB
BY HARRYS HOSPITALITY....

SLITZMAG.COM

THE CLUB BY HARRY'S Hospitality is a 22-room luxury boutique hotel at at Ann Siang road, one of Singapore's most fashionable districts. Housed in a stately 1900's heritage building, the design-led establishment brings the area's rich heritage to life with its stylish blend of contemporary minimalism and antique, oriental highlights. Visit: www.theclub.com.sg.

ABOUT THE CLUB // Be it in the small details or bold statement furnishings, the story of Singapore's colonial beginnings and Chinatown's colorful past is told in a tongue-in-cheek tone from lobby to room. The club offers the modern, discerning traveller a respite from the obvious and overstated, and will especially appeal to those who truly wish to experience and appreciate the city they're in.

More than a place to spend the night at, the club also offers memorable dining experiences at its three culinary

concepts – an intimate tapas bar at the heart of the hotel, a breezy al fresco terrace dishing up inventive new world mediterranean fare and a full service sky bar, where a fine selection of premium drinks and cigars are to be enjoyed with a stunning rooftop view (arguably the best in Singapore).

An excellent venue to rest, play and work, the club also offers world class event spaces that will suit both formal and informal occasions. the ground floor is home to ann siang 1 and 2 – two spacious and minimalist, interconnecting event rooms outfitted with the latest conference facilities. For a more casual setting, the breezy sky garden is available for private hire (connected to the standout sky bar).

DESIGN FOR THE CLUB The club is conceptualized and branded by award-winning ministry of design, who also designed the hotel and room interiors and façade. Home-grown jane yeo design consultants designed the F&B spaces on the ground floor. Together they paid quirky homage to Singapore's colonial beginnings and the rich chinese heritage of Ann Siang Hill. The collaboration results in a stylish pairing of east and west, monochrome and color and minimalist and oriental.

Guests are flown from lobby to room by a flock of messenger birds bearing directions, resonating with a playful theme of friendly 'messengers', which is loosely based on the location's popularity as a remittance centre for early chinese im migrants. The theme recurs in calligraphy-style artwork adorning the bedroom walls, featuring a series of animals from humming birds, squirrels, frogs, carp, mice –inspired by ministry of design and individually hand painted by local artist, wyn-lyn tan.

Evoking a sense of accessible elegance and modern authenticity, the club connects the modern traveller with the heritage of the location in an engaging and thoughtful manner, without harping on the irrelevant past./ **SLITZ**

MY SEXUAL URGES

100% REAL STO-RIES!

Editor Shalina Silva

For a man I consider myself above average when it comes to sexual urges. I don't know if this is normal or not. But I really like to fuck every day. And I don't mean before sleeping sessions but rather any time of the day. Yes, I want to do it anytime of the day, many times a day, and when my urges strike I cannot hold back.

I am a normal person. I have a degree, I hold a good work position at work, and I could say I am good looking too! I am choosy of whom to have sex with. I guess that is normal considering many threats about sexual diseases these days. But we all have our weaknesses, so who knows. And just like many respected individuals out there who own a very serious looking façade, I am a slut in bed. I know I am and I don't mind. I am sure many are grinning as they read that last line. It's all good!

I would like to share with you, a hot encounter that I had with my then GF. She experienced the 'spur-of-the-moment' urges from me one night. It was an ordinary week night and we went out for dinner after a long day at work. She sent me a message that she's is ready to go. We went to the mall for a quick meal because both of us felt tired to cook at our condo. So off we went to have our usual dinner. After which we just walked on the way home. It was a relaxing night to feel the cool Makati breeze while walking under the moonlit sky. We were just joking about what happened to our day that day. And for some reason, looking at her very simple outfit turned me on. She was in her usual above the knees office skirts, and a button down blouse. We are just a block away from our building when I knew I am having the urge. It was kicking me inside. My jawlines started to get tight. My body was warming up and my grip on her small hand was getting firm and she felt it. She looked at me and asked if I was ok. I said yes but we need to walk faster. She smiled at me and kept her pace a bit faster. I was hoping to reach our building fast because I can feel myself shiver!

At the lobby we almost ran. Waiting for the elevator is such agony that night. She pushed the 'up' button and stood right in front of me. I had a very good view of her nice rounded ass. My GF is not the model-type but her curvy-body just drives me crazy! I can see through her skirt what panties she was wearing that night and I know, I cannot wait till the 16th floor. The elevator came and we went in. It was still early so people are not coming in just yet. We have the lift all to ourselves. The moment the doors closed I grabbed her hips and pushed her on the rear wall (so the camera would not see our faces). She let out a large gasp as she realized what was happening. She did not resist but rather moaned loud the moment my hand and fingers slide on to her pussy. She is amazingly wet and hot down there. I love it. A few strokes on her wet lips and I know she is ready. 3rd floor and I just had to take her there. I pulled out my very hard dick and tease her slit. Her non-stop moaning was the ultimate tease. I pulled her ass to me; she spread her legs and sticks out that sexy ass. I knew she wanted it too. 4th floor and I shoved my hard dick in one fast thrust that made her scream a bit. It felt so good! I heard me groan too. I started to thrust fast. I can see how her body tremble from my every push. I can feel her cunt walls as I rub her insides. Fast thrusts then slower, made her beg for me to keep fucking her right there. I was not stopping since I can see what floor we were and I am aware at the back of my head that people may see us. I guess the risk of being caught adds to the heat. She was so wet already and was pulling my hips more to her. I felt her grind those big hips to me. Fuck she was so hot and asking for it. I gave her my jet-thrusts. Short but fast thrusts and that brought us both to the edge.

7th…8th floor I want her juices on my dick. Cum for me now I said. She was breathless but nodded. Close she said. We have a few more floors but I need to burst soon. Everything was happening so fast. But I felt every second of it. A few more thrusts and she gushed on me inside her. She screamed a controlled moan, biting her lips to silence but not me. I grunted and groaned so loud it echoed in the boxed-lift. I burst into her hot hole and filled her wet cunt with my hot cum. It felt so good. We were gasping and fixing ourselves at the same time when it hits 16th. She licked her lips and gave me a quick squeeze on my crotch as she stepped out the elevator door. That was a sign of a very long round 2 and I was made to last up to overtime!/**SLITZ**

NEW USE FOR JERSEYS VEHICLES

New regulations have been approved in Jersey and come into force on 23 February 2011, which will create further opportunities for foreign-owned companies to use Jersey vehicles to access the international capital markets and enhance Jersey's position as a centre of excellence for international corporate finance activity.

The improvements to the merger provisions in the Jersey Companies Law should prove an attractive feature to international investors looking at the opportunities to invest in Western markets. The regulations enable Jersey companies to merge with both foreign companies and other foreign bodies incorporated outside of Jersey. They also allow Jersey companies to merge, in any combination, with other Jersey companies or bodies incorporated in Jersey.

WHAT IS A TAX HAVEN?

A tax haven is a state or a country or territory where certain taxes are levied at a low rate or not at all.

Individuals and/or corporate entities can find it attractive to move themselves to areas with reduced or nil taxation levels. This creates a situation of tax competition among governments. Different jurisdictions tend to be havens for different types of taxes, and for different categories of people and/or companies.

There are several definitions of tax havens. The Economist has tentatively adopted the description by Geoffrey Colin Powell (former economic adviser to Jersey): "What ... identifies an area as a tax haven is the existence of a composite tax structure established deliberately to take advantage of, and exploit, a worldwide demand for opportunities to engage in tax avoidance." The Economist points out that this definition would still exclude a number of jurisdictions traditionally thought of as tax havens. Similarly, others have suggested that any country which modifies its tax laws to attract foreign capital could be considered a tax haven. According to other definitions, the central feature of a haven is that its laws and other measures can be used to evade or avoid the tax laws or regulations of other jurisdictions.

In its December 2008 report on the use of tax havens by American corporations,[4] the U.S. Government Accountability Office was unable to find a satisfactory definition of a tax haven but regarded the following characteristics as indicative of a tax haven:

1. nil or nominal taxes;
2. lack of effective exchange of tax information with foreign tax authorities;
3. lack of transparency[citation needed] in the operation of legislative, legal or administrative provisions;
4. no requirement for a substantive local presence; and
5. self-promotion as an offshore financial center.

THE NEW TAX HAVENS

Here are the new tax havens Countries like Seychelles, Djibouti and Dubai are ready to take over as tax havens in Tax tightening their belts in Europe.

When the hunt for tax havens in Europe and the Caribbean island-world intensified lured capital that would not be visible to new countries in other parts of the world.

- There will always be one or more places to tuck away money. Panama is a classic place like that - and it will take a long time before they agree to a contract,

There are also several more or less established tax havens in Africa thet are growing in popularity.

Island Kingdom Seychelles is best known as a paradise for sunbathers, but 11 percent of GDP comes from the financial sector.

Seychelles attracts tax planner with a mix of bank secrecy, tax exemption and receive financial reporting requirements for companies. Neither the ownership or board and management need to be reported to any government agencies.

> There will always be one or more places to tuck away money.

In the tiny East African country of Djibouti is a free trade zone at once.

It should include giving foreign companies the right to get new residents to have access to tax breaks and other benefits.

Other countries also are marketed as new banking centers are Mauritius, Bahrain, Dubai, Hong Kong and Malaysia.

But the recent popular uprisings in North Africa and the Middle East demonstrates the risks associated with the new tax havens.

- The more traditional tax havens have been functioning countries, but political and economic risks. Do you have to look further afield - which also takes a higher financial risk. And then there is no point if you do not have very much money,

BARBADOS HITS BACK

Barbados'Finance and Economic Affairs Minister Chris Sinckler has declared that government is not about to "roll over and play dead" while the Organisation for Economic Cooperation and Development (OECD) enhances its attempts to blacklist Barbados as an unsafe tax jurisdiction.

He said the latest fiasco in the OECD, which recently said that existing tax laws in Barbados are inadequate, was not only being led by the French and Germans, but was "implicitly sanctioned by others in the G20 - some of whom were among the

island's long- standing partners, [who] were also part of a campaign to shut Barbados down as an international tax jurisdiction".

The British government also recently classified Barbados as a Category 3 country for its perceived inability to meet international standards on the exchange of tax information.

"What is even more troubling is the premature and unnecessary rush to judgment by the British Tax Authorities to place Barbados in the so-called Category 3 group of countries, which includes none less than some of the world's uncooperative tax havens," the Finance Minister said.
